Background Check for UITE

A background check and fingerprinting must be completed and cleared through the Utah State Board of Education. Applicants need to include proof that they have initiated and completed this process (USBE CACTUS Screenshot), with their application.

To initiate the background check and fingerprinting process, please complete the following steps found at our website: https://uite.utah.edu/students/background-check/. To ensure that the background check is completed fully and completely, it is strongly encourage that applicants follow the steps listed on the website.

Steps include:
2. Select “Background Check” for initial licensure. Follow the prompts.
3. Select the “Live Scan” method for fingerprinting.
4. Your forms will be emailed to you. Print this form and take it with you to either:
   - BCI – Bureau of Criminal Identification 3888 West 5400 South, Salt Lake City, Utah 84118, 801-965-4445. Hours: Monday – Friday 8am to 5pm.
   - Your Unique Prints Fingerprinting (YUP) locations. YUP locations can be found here: https://www.yupfingerprinting.com/

Your results will not be sent to USBE if you do not take this form with you to BCI or YUP locations.

5. A fee of $15 will be paid at the BCI to complete your Live Scan fingerprinting. YUP may have fees of their own. Please save your receipt.
6. Your Background check is good for five years.

An email notification from the Utah State Board of Education will be sent to you and to the College of Education when you have cleared the background check and the process is complete. Please keep this email for your records. You must submit the CACTUS screen shot for your background check verification. You must clear the background check in order to complete the licensure program.

Please be aware that background checks and fingerprints are valid for five years. If a student’s clearance has expired prior to completion of the program and licensure recommendation, they will need to renew their background check and fingerprints. Also, if anything occurs during the course of the program to render a student’s background check invalid, the student will be pulled from the program and will not be allowed to continue.
