

Secondary Teacher Education BS/M.Ed Program 2023-2024 Academic Year

Biology, Chemistry, Earth Science and Physics for B.S/M.Ed STEM Program

Urban Institute for Teacher Education & Department of Educational Psychology
in the College of Education

Program information is subject to change without notice

For the most up-to-date information, please contact the Urban Institute for Teacher Education.

Secondary Education: The purpose of Secondary Teacher Licensure Program is to prepare junior high, middle school, and high school educators. Competent secondary teaching requires both in-depth knowledge of subject matter and skill in applying educational concepts and principles. Candidates for teacher licensure in secondary education take the required courses in a subject area (i.e., composite teaching major, teaching major, teaching minor – the teaching minor is not required, but is recommended) and licensure courses through the College of Education to acquire pedagogical skills, and knowledge of students, families and urban communities.

Degree Requirements: In order to graduate with a bachelor's degree, students must complete General Education, Bachelor's Degree requirements, and Teaching Major requirements in addition to the Secondary Teacher Licensure program requirements. A degree (i.e., Bachelor of Arts, or Bachelor of Science) through the college of the teaching major (College of Science or College of Mines & Earth Sciences) and a M.Ed. degree in Educational Psychology is simultaneously granted at the completion of the UITE BS/M.Ed. Licensure Program.

Licensure: Teaching licenses are granted by the Utah State Board of Education. The College of Education recommends candidates for the Secondary Utah Professional Teaching License grades 6-12, upon successful completion of the program and required exams (PPAT, OPI, etc.). The sixth through twelfth grade license requires a teaching major or composite major, and does not permit teaching in a self-contained elementary class. While not required, a teaching minor is strongly recommended.

ESL Endorsement: Coursework for the ESL endorsement is offered by the UITE. While not included in this program, students can enroll in the required coursework as they complete their program. For more information, students should go to: <https://uite.utah.edu/endorsements/esl/> or contact UITE Advising.

Advising: Students must maintain contact with multiple advisors during the course of their studies. Each advisor has specialized knowledge and information, and therefore students should meet regularly with the following:

Updated 8/2023

TEACHING MAJORS AND MINORS

Utah state licensure guidelines specify that secondary teachers may teach only in the areas for which they are licensed.

Teaching Majors (REQUIRED)	Teaching Minors (strongly recommended)	Index of Criticality *	Utah Grade Levels ⁺
Biology Composite	Biology	3.2	7, 10-12
Chemistry	Chemistry	3.6	9-12
Earth Science Composite		3.2	8-9
English	English	2.8	6-12
	French	2.2	6-12
	Geography [^]	2.5	6-12
	Health Promotion & Education	2.5	7-12
History	History	2.3	6-12
Math (level 4)		4.0	6-12
	Math (level 3)	3.9	6-9
Physics	Physics	3.7	9-12
Spanish	Spanish	3.0	7-12
K-12 Licensure Programs			
Art Composite		2.8	K-12
Dance (must audition)		2.4	K-12
Film		-	K-12
Physical Education		2.1	K-12
Music**		2.8	K-12
Theatre (Drama)		2.7	K-12

* Utah State Board of Education Index of Criticality (1/19) Note: Criticality may change from year to year and state to state.

4.0-4.9 = Critical Shortage

3.0-3.9 = Moderate Shortage

2.0-2.9 = Minimal Shortage

1.0-1.9 = Oversupply

[^] Available at the University of Utah, but limited student teaching placements and jobs.

⁺ Grade level column represents typical job availability in Utah schools in a given academic subject area.

**Music students must complete program through School of Music

SECONDARY TEACHER LICENSURE PROGRAM REQUIREMENTS

In addition to University General Education, bachelor's degree requirements, and teaching major and minor departmental requirements, the Secondary Teacher Licensure program includes 46 semester hours of required education coursework (some courses may fulfill multiple requirements). Education courses are taken in two categories: Pre-licensure courses (which may be taken by any University of Utah student), and Licensure Year courses (which require acceptance into the licensure program and graduate school).

- * **General Education & Bachelor's Degree Requirements:** All degree-seeking students at the University of Utah are required to complete a series of General Education and Bachelor's Degree courses. First baccalaureate students should work closely with University College and Departmental Advisors to ensure that all general education and bachelor's degree requirements are met.
- * **Teaching Major and Teaching Minor Course Requirements:** The subjects that students plan to teach in the secondary schools are called their teaching major and teaching minor. Students should work closely with advisors in their teaching major and teaching minor departments to be sure that all requirements for graduation with a bachelor's degree are met.
- * **Licensure Program Course Requirements:** Current secondary teacher licensure course requirements are listed on page 2. Please meet with the UITE Education Advisor to review the licensure and graduate coursework in detail.

* Students may take a mix of general education, bachelor's degree requirements, teaching major, teaching minor, and education courses at the same time.

PROGRAM POLICIES

Background Check: In order to participate in any field-based course in the licensure program, students must pass a State and Federal background check and have the results sent to the Utah State Board of Education. Background checks expire after 5 years, and may need to be renewed during your program and in order to be recommended for your teaching license. To complete the background check, students should go to: <https://uite.utah.edu/students/background-check/>

Fall Semester Licensure Year Time Commitment: During Fall semester of the licensure year, students will complete 6-9 hours a week in a public school for EDU 5490. In addition they will meet on campus 1-2x a week for class. EDU 5201 is an online course. Due to travel from local public schools, we advise NOT taking additional classes prior to 12:00 pm if possible. Please be aware of the time constraints affiliated with school-based classes.

Spring Semester Licensure Year Time Commitment: During Spring semester of the licensure year, students will assume the responsibilities of a regular classroom teacher. The time commitment during this phase of the program is extensive (i.e., 12 weeks of student teaching). Students are expected to be in the schools for full school days (i.e., 7:30 am – 3:30 pm, daily) as well as attend a weekly seminar held in the evening. The remaining weeks of spring semester will be spent in closing cohort activities and completing course-related assignments. Because of the intensive time commitment, working outside of school and/or taking additional classes will likely present extreme hardship. Additional coursework is strongly discouraged during this semester.

Student Teaching Placements: During the licensure year, teacher candidates teach under the guidance of a classroom teacher and a supervisor employed by the Urban Institute for Teacher Education. Student teaching assignments are located in a group of specially selected schools in which teacher candidates observe and practice teaching methods. Student teaching placements are arranged by the supervisor in consultation with the teacher candidate and school personnel. Due to the volume of student teaching placements and the variety of major/minor emphasis areas, personal circumstances (i.e., commute, etc.) are not criteria for placement. Working outside of school and/or taking additional classes will present excessive time demands.

Student Code: Letters indicating possible violations of the student code, and appropriate student responses, will be placed in the student's file. (www.sa.utah.edu/code)

GPA Requirements: Teacher education candidates should maintain a cumulative GPA of 3.0. After admissions into the program students must maintain a cumulative GPA of a 3.0 and a term GPA of a 3.0.

Minimum Cumulative GPA: Once admitted, teacher candidates must maintain at least a 3.0 GPA. If a teacher candidate fails to maintain a 3.0 GPA, they will be placed on scholastic probation and may not register for any licensure year courses.

Grade Requirements: All Education courses and prerequisites must be completed with a grade of “B-“ or better beginning fall 2020. Education and prerequisite courses completed prior to fall 2020 must be completed with a grade of “C” or better. Major/minor courses must be completed with a grade of “C” or better unless departmental grade requirements are higher. If departmental grade requirements are higher, the student will be held to the higher grade requirement. Teaching methods courses and all education courses must be completed with a grade of “B-” or better in order to advance to student teaching. If a student receives less than a “B-” in any licensure year course, they will be placed on scholastic probation and not allowed to student teach.

Repeating a Course: Courses in the Secondary program may only be repeated once.

Time Limit on Education Courses: Due to changes in the research base on teaching and learning, classroom practices, and Utah State Board of Education standards for teacher licensure, education courses must be taken within 5 years of beginning the licensure year. If courses are over 5 years old they may not be accepted towards the licensure program requirements.

Transfer & Equivalent Coursework: A formal request must be made by students for course equivalencies for the Secondary Teacher Licensure Program by submitting course syllabi and transcripts for review. Course equivalency approval is required from the Director of the Urban Institute for Teacher Education.

Pre-Licensure Course Offerings: Pre-licensure courses are not guaranteed to be offered every semester. Students are encouraged to meet with advisors in the Urban Institute for Teacher Education and in his/her major and minor departments to receive the most current course scheduling information.

Licensure Year Pre-requisites: All pre-requisite coursework in the Secondary Teacher Licensure Program (i.e., general education, bachelor’s degree requirements, teaching major and teaching minor courses, and pre-licensure coursework) must be completed prior to starting the spring semester of the licensure year (full time student teaching).

APPLICATION POLICIES FOR LICENSURE PROGRAMS

Admissions Notification: Applicants will be notified by mail of acceptance or denial approximately 6 weeks after the first of the month in which the application is reviewed. Applicants have the opportunity to appeal the decision to the Director of the UITE within 14 business days following notification of the admissions decision.

Incomplete Applications: The UITE is not responsible for any materials missing from files. Complete files will be reviewed by the Admissions Committee. There is no guarantee that incomplete files will be reviewed.

Time Limit on Licensure Program Completion: The licensure year/student teaching placement can only be reserved for up to six semesters (not including summers) after acceptance into the program. Students apply and are saved into a specific licensure year. If a student is unable to begin the licensure year as planned, they must submit a written request to postpone.

Admissions Files: Admissions files become the property of the UITE and will not be returned to the applicant, nor will letters of recommendation be forwarded for scholarship application purposes.

Nondiscrimination Policy: The University of Utah is fully committed to policies of nondiscrimination and equal opportunity, and vigorously pursues affirmative action in all programs, activities, and employment with regard to race, color, national origin, sex, age, and status as a person with a disability. Religion, sexual orientation, and status as a disabled veteran or veteran of the Vietnam era also are protected under nondiscrimination and equal opportunity employment policies. The University seeks to provide equal access to its programs, services, and activities for people with disabilities. Reasonable prior notification is needed to arrange accommodations. Evidence of practices not consistent with these policies should be reported to the Office of Equal Opportunity and Affirmative Action, (801) 581-8365 (voice and TDD). Upon request, this information is available in alternative formats, such as cassette, Braille, or large print.

UITE LICENSURE APPLICATION PROCEDURES

Students must apply separately, yet simultaneously, to the UITE and ED PS. This section details the application process for the UITE (licensure). Application procedures for the M.Ed. in ED PS are available separately through the Secondary Advisor or the respective departments.

1. Submit the Application for Admission to the Secondary Licensure Program with M.Ed. This application includes items pertaining to your educational and professional background. The application is available on the Urban Institute for Teacher Education website www.uite.utah.edu.
2. Submit official Transcripts from all colleges and universities previously attended, including the University of Utah, no matter how long ago or how little credit was earned. This includes all correspondence and/or foreign credit. Electronic transcripts are preferred. Applicants should have transcripts emailed to them then uploaded to the application. Paper transcripts must be in sealed envelopes with a stamp over the seal and sent directly to the UITE. Official transcripts can be picked up by the candidate and brought in to the UITE office or be mailed directly to the secondary education advisor at the UITE.
3. Statement of Purpose (2-3 pages). Submit a statement informing the Admissions Committee of your strengths as a candidate in the teacher education program in the Urban Institute for Teacher Education at the University of Utah. Essays should be approximately two pages in length and may be double-spaced. Your essay will be evaluated on its content as well as your ability to convey your ideas in formal academic language using standard writing conventions. Use the following rubric to assist in writing your statement.

Criteria	INADEQUATE	ADEQUATE
Illustrate your commitment and passion to the teaching profession	The writer does not provide an illustration of a commitment to teaching based on <i>relevant</i> past experiences working with youth and future goals for teaching in K-12 schools. The statement does not convey the writer's passion to the teaching profession.	The writer provides an illustration of a commitment to teaching based on <i>relevant</i> past experiences working with youth and future goals for teaching in K-12 schools. The statement adequately conveys the writer's passion to the teaching profession.
Discuss your commitment to the mission of the Urban Institute for Teacher Education (UITE) with regard to diversity and multicultural education	The writer does not provide sufficient evidence of a commitment to the mission of the UITE and to issues related to diversity, including but not limited to language, culture, ability and does not address why the writer is committed to this mission.	The writer provides sufficient evidence of a clear commitment to the mission of the Urban Institute of Teacher Education and to issues related to diversity in its varied forms, including but not limited to language, culture, and ability and addresses why the writer is committed to this mission.
Demonstrate your ability to think deeply about and analyze contemporary educational issues	The writer does not provide evidence that the writer can think deeply about contemporary educational issues that affect youth in today's society.	The writer provides clear evidence that the writer can think deeply about contemporary educational issues that affect youth in today's society.
Attend to the overall organization and flow of your statement and clarity of your writing	The writer's statement is generally unclear and/or not succinct and/or may be rambling and/or meaning is hidden and/or paragraphs poorly structured. No structure is used to convey ideas.	The writer's statement is clear and succinct, and paragraphs are well organized. Meaning is clear to readers. The writer uses an appropriate structure to convey ideas.
Attend to standard conventions of writing, including spelling, usage, punctuation and grammar	The writer does not use standard conventions of writing or makes many errors in spelling, usage, punctuation or grammar. The writing piece does not look presentable.	The writer uses all standard conventions or writing with few or no errors in spelling, usage, punctuation and grammar. The writing piece looks presentable.
Use formal academic language rather than colloquial or informal conversation	The writer uses conversational and/or colloquial language—use of contractions (isn't, doesn't, shouldn't); and informal vocabulary terms such as "and so," "like," "get," "very," "of course," "a lot," "lots," "good," "really," "kind of."	The writer addresses the Admissions Committee and uses formal academic language throughout the statement.

4. Praxis II Content Knowledge Tests. Students applying after July 1, 2023 are no longer required to take the Praxis II tests for admissions.
5. Major/Minor Sign-Off Sheets. Submit a degree or course equivalency sign-off sheet. Forms are available on the UITE website. Applicants must meet with the major/minor departmental advisor to have the forms completed. Forms must then be uploaded to the application.
6. Submit a Completion Plan. This form is available on the UITE website. List all major, minor, general education, bachelor's degree requirements, and education courses that are not yet completed. This plan demonstrates that you can reasonably complete all of your remaining course requirements prior to student teaching, and are therefore eligible to apply to the program. Students should upload this form as part of their online application.
7. Letters of Recommendation: Three (3) letters of recommendation are required to be included in the admissions application. Letters should be written by individuals who know the applicant on a professional and/or academic level, and who have insight into the educational experiences, intellectual abilities, and professional temperament of the applicant. Letters should not be more than one year old from the time of submission of application. **Note: Family, friends, and religious advisors are considered inappropriate references.** Submit a letter in each of the following areas:
 - a. **Teaching and Working with the Youth**: This letter is to be written by a professional, certified educator who has supervised and/or observed the applicant while interacting with children in an academic setting (e.g., a cooperating public school teacher in whose classroom the applicant has observed during EDU 1010).
 - b. **Academic Performance**: This letter should be written by a university or college instructor who can write knowledgeably about the applicant's intellectual performance and ability as a scholar. University of Utah instructors are preferred as writers for students who have completed at least one semester at the University of Utah.
 - c. **Professional Attributes**: This letter is a character reference that speaks to the applicant's reliability, initiative, organization, communication skills, and contributions to a group working situation. The letter may be written by a past or current employer or any additional university or college instructor.

Please complete the Reference Identification form found on the admissions website:

<https://uite.utah.edu/students/admissions/>. This form is only to be completed once, either before you complete your UITE Admissions application or as you are completing the Admissions application. Students should enter the email address that the Recommender uses most frequently. Students using a University of Utah employee such as a faculty member should use the email address for that person. The UITE email address should not be used to have a letter submitted. An email is then generated and sent to the Recommender with a form and a space to upload their letter. Once a form and letter is submitted, the student will receive an email informing them that the Recommender submitted it. Students will not receive a copy of the letter of recommendation.

8. **Proof of Background Check and Fingerprinting Completion**: A background check and fingerprinting must be completed and cleared through the Utah State Board of Education. Applicants need to include proof that they have initiated and completed this process ([USBE USIMS Screenshot](#)), with their application. The screen shot should include License Information, Home and Checklist information. See Background Check Coordinator for questions.

To initiate the background check and fingerprinting process, please complete the following steps found at our website: <https://uite.utah.edu/students/background-check/>. To ensure that the background check is completed fully and completely, it is strongly encouraged that applicants follow the steps listed on the website.

Steps include:

1. Follow the directions found at: <https://uite.utah.edu/students/background-check/>.
2. Select the "Live Scan" method for fingerprinting when scheduling your appointment after completing your Step One requirements.
3. Print off the Fingerprint Instructions on your USIMS account.

Your Unique Prints Fingerprinting (YUP) locations. YUP locations can be found here: <https://www.yupfingerprinting.com/>

YUP is the recommended location for physical fingerprinting. We strongly encourage students to complete this at YUP.

School District offices do not always complete the full USBE check and may not forward the check to the USBE.

BCI – Bureau of Criminal Identification 3888 West 5400 South, Salt Lake City, Utah 84118, 801-965-4445. Hours: Monday – Friday 8 am to 5pm.

Your results will not be sent to USBE if you do not take your fingerprint instructions pages with you to BCI or YUP locations.

A fee of \$15 will be paid at the BCI to complete your Live Scan fingerprinting. YUP may have fees of their own. Please save your receipt.

An email notification from the Utah State Board of Education will be sent to you and to the College of Education when you have cleared the background check and the process is complete. Please keep this email for your records. You must submit the USIMS screen shot for your background check verification. You must clear the background check in order to complete the licensure program.

Please be aware that background checks and fingerprints are valid for five years. If a student's clearance has expired prior to completion of the program and licensure recommendation, they will need to renew their background check and fingerprints. Also, if anything occurs during the course of the program to render a student's background check invalid, the student will be expelled from the program and will not be allowed to continue.

Background Check: If your background check has expired, it must be renewed in order for you to apply to the program. Students should submit their [USIMS Screenshot](#) for background check verification for admission. See the Utah Licensure Legal Policies section on the last page for details.

EXIT EXAMINATIONS

All teacher candidates are required by law to complete exit examinations. More detailed information will be given about exit exams upon acceptance into the licensure year of the program. Exit exams are required in the following areas:

- **Praxis Performance Assessment for Teachers (PPAT).** All students must successfully complete PPAT to be recommended for their teaching license. Teacher Candidates at the University of Utah are expected to comply with Utah State Board of Education requirements for performance assessment. The University of Utah uses the Praxis Performance Assessment for Teachers (PPAT) as a criterion for licensure recommendations. Please see <https://www.ets.org/ppa/test-takers/teachers/about> as well as program handbooks for more information.
- **Praxis II content knowledge tests-** Contact the education advisor to determine if you will need to take a Praxis test for your endorsement. Most students will not be required to take the Praxis II tests. Requirements are set by the USBE.
- Students completing a **Math teaching major** must meet the Math department's minimum required test score in order to be cleared for graduation and receive their bachelor's degree. See the Math advisor for more information.
- Students completing a **teaching major or minor in a Foreign Language** must also complete an oral proficiency exam and a writing proficiency test in addition to the Praxis written language exam. An advanced oral rating is required in order to graduate with a Foreign Language teaching major or minor.

An **official ACTFL Oral Proficiency Interview and ACTFI Writing Proficiency Test (WPT)** is required in order to be recommended for a teaching license in any foreign language. Proficiency must be demonstrated through an official OPI from the American Council on the Teaching of Foreign Languages (ACTFL) administered by Language Testing International <http://www.languagetesting.com/>. The OPI is an internationally recognized test, and ratings will be valid for licensure in most states, as well as in many other professional applications. Students must receive a rating of advanced-low or higher. Students must submit a copy of their rating report to the secondary education advisor by the end of their student teaching experience in order to be recommended for licensure in the language. Students must pass the ACTFL OPTI or the OPIc Proficiency Test **and** the ACTFL Writing Proficiency Test at the Advanced-Mid level or higher.

UTAH LICENSURE LEGAL POLICIES

In addition to the professional requirements for licensure, the state requires:

Background Check for Initial Licensure: By legislative mandate, applicants for teaching licenses in Utah are required to have completed and passed a background check, including fingerprinting. Background check clearance expires after five years, and may need to be renewed during the program and in order to be recommended for a teaching license.

Proof of Background Check and Fingerprinting Completion: A background check and fingerprinting must be completed and cleared through the Utah State Board of Education. Applicants need to include proof that they have initiated and completed this process ([USBE USIMS Screenshot](#)), with their application. The screen shot should include License Information, Home and Checklist information. See Background Check Coordinator for questions. Students should see background check information in application materials for process details.

Criminal Conviction: Teacher licensure may be denied by the state of Utah because of a previous criminal conviction. You must contact the Associate Dean for Professional Education in the College of Education before proceeding with your program in teacher licensure if you have any questions about your status. The Utah Professional Practices Advisory Committee, c/o Executive Secretary, State Board of Education, 250 East 500 South, Salt Lake City, Utah 84111, reviews all such cases.
