In Accord Ticket Information

Tickets are $10 each or $40 for a family of 5. They can be purchased online at tannerdance.utah.edu. Seating is available on a first come, first served basis.

Each Momentum dancer is responsible for selling 5 tickets to In Accord. Dancers DO NOT need to personally buy the tickets. Instead, dancers should invite family members and friends, and instruct them to put the dancer’s name in the "Referred By" section when they purchase tickets online. This is how each dancer receives credit for selling a ticket.
